

Thompson, J.P. ? (1891?) "On the Northeast Coast of British New Guinea, and some of the Adjacent Islands" Journal of the Manchester Geographical Society (Vol. 4?) : 57-62.

Based on MacGregor's reports.

- mentions men's club house for "Mauria" - long, with a sleeping platform from one end to the other
- canoes 40' in length
- friendly to the Europeans
- ignorant of iron & steel - wouldn't trade spears.
- no tattooing (!)
